Headline:
Fine and cold overnight with frost. Sunshine on Saturday.

This Evening and Tonight:
Skies continuing to quickly clear and with light winds overnight this will allow another sharp frost to develop across most areas. Some mist and freezing fog patches forming in prone locations by the end of the night. Minimum temperature -3 deg C (27 deg F).

Saturday:
Similar day to Friday. Cold start with short-lived mist and fog patches. Plenty of sunshine to start before cloud builds a little. Rather warm by afternoon. Another sharp frost overnight. Maximum temperature 13 deg C (55 deg F).

Outlook for Sunday to Tuesday:
Dry with sunny spells and variable cloud through Sunday and Monday. Cold overnight, with frost and fog. Daytime temperatures just above normal. Tuesday more cloudy but probably remaining dry.
